Dear Mr.Wormser

Your Inquiry

Mr.Dobrowolsky has been a member of the A.P.S. for many years and during these several years his dealing with me have been entirely satisfactory and no complaint has ever been filed against him by anyone.

I do not have available the references he gave when joining but these were investigated at the time and found wholly satisfactory.

Dear Sir:

Responding to your previous letters I take pleasure in advising you that you have been elected an Associate Member of the Society.

In your letter of November 25th, you ask regarding a sales department. We do not have such a department in our Society, and the magazine which we publish is called the Numismatic Notes and Monographs. I am enclosing a list of the previous issues. They appear irregularly to the number of four or more each year. You will receive these as they are issued.

Sincerely yours,

Secretary.
